Dear Sir/Madam,

**Subject : Clarification on Price Movement**

**Ref. : Email dated 21<sup>st</sup> March 2025 - Clarification on Price Movement Letter**  
**No.: NSE/CM/Surveillance/15290**

---

With reference to the email received from the Exchange dated 21<sup>st</sup> March 2025 seeking clarification on significant movement in the price of our security at the exchange in the recent past.

We would like to inform you that the Company has intimated from time to time the Exchange, of all the events, information etc. that has an impact on the operation and performance of the Company which include price sensitive information as required to be disclosed under Regulation 30 and other applicable regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

The Company has not withheld any information or events which, in our opinion, would impact on the price behaviour in the scrip of the Company. Therefore, the movement in the share price of the company is purely due to market conditions and absolutely market driven and the management of the company neither has any control nor has any knowledge of reasons for movement in price of shares

We would like you to take this as clarification to your letter and acknowledge the receipt.

In case you need any further clarification/information, we shall be glad to provide the same.

Thanking You.

Yours sincerely,

**For WOL 3D India Limited**
