**Sub.: Bengaluru Branch Office cum Experience Centre expansion.**

**Dear Sir/Madam,**

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Please find enclosed the Stock exchange intimation for the **Bengaluru Branch Office cum Experience Centre expansion from 1200 sq.ft. to 2400 sq.ft.**

Existing Bangalore office cum Experience Centre is located at **Parvathi Plaza, 2nd floor, 105, Parvathi Plaza, Richmond Rd, Langford Gardens, Bengaluru, Karnataka 560025**

Newly added Bangalore office cum Experience Centre is located at **Parvathi Plaza, 2nd floor, 106, Parvathi Plaza, Richmond Rd, Langford Gardens, Bengaluru, Karnataka 560025**

WOL3D is expanding its operations in the state of Karnataka to meet the growing demand for 3D printers and 3D printed products. As part of this strategic expansion, we are launching a new **Experience Center** in Bengaluru, alongside the establishment of the **Brahma 3D Printing Farm**—marking our second such facility in India after the successful implementation of our Mumbai farm.

The **Brahma Farm in Bengaluru** will house over **50 active 3d printers**, equipped to handle large-scale production with an output capacity of approximately **2,000 to 2,200 3d printed products per day**. This move underscores our commitment to enhancing customer experience, ensuring faster delivery timelines, and scaling our manufacturing capabilities in line with market demand.

**WOL3D INDIA LIMITED**

This expansion positions WOL3D to capitalise on Karnataka's thriving tech ecosystem and rapidly increasing adoption of advanced manufacturing technologies. The new facility will not only serve as a hub for innovation and industrial-grade prototyping but also allow us to:

- **Increase our national production capacity by over 100%**, significantly reducing turnaround time for clients.
- **Expand our market share** in the southern region of India, particularly in sectors such as healthcare, education, architecture, automotive, and consumer goods.
- **Create employment opportunities** and invest in local talent development within Karnataka's robust engineering and tech community.

The Bengaluru centre will enable us to:

- Launch **B2B prototyping services** for start-ups and enterprises looking to reduce product development cycles.
- Offer **on-demand custom manufacturing solutions**, including short-run production and personalised merchandise.
- Introduce **training and certification programs** in 3d printing technology through our Experience Centre to foster ecosystem growth.
- Strengthen our **retail and e-commerce channels** with faster regional fulfilment and customer support.

This strategic initiative reflects our long-term vision of becoming India's leading provider of end-to-end 3d printing solutions, while also reinforcing our commitment to innovation, customer satisfaction, and sustainable manufacturing practices.

**About WOL3D:** WOL3D is a pioneer in the Indian 3D printing industry, committed to bridging the gap between ideation and manufacturing. Renowned as a leading manufacturer and distributor of premium-quality 3D printers and filaments, the company combines cutting-edge technology with user-friendly solutions to redefine prototyping and manufacturing. Headquartered in Mumbai, India, WOL3D is an ISO, CE, and RoHS-certified company that meets stringent international standards. Its mission is to empower consumers with hassle-free and innovative 3D printing experiences.

WOL3D's products are designed to adhere to RoHS compliance, ensuring safety and environmental responsibility. The company serves as the official master distributor for global giants like Creality, Bambulab, Elegoo, Phrozen, and Flashforge. Additionally, it partners with global OEMs to develop exclusive product lines under its brand names, including Pixel, I-Tech, Gen X, and Hi Smart Series. Strategic partnerships with leading international companies further reinforce WOL3D's commitment to delivering world-class products.

## WOL3D INDIA LIMITED

WOL3D stands out with several key competitive advantages that solidify its leadership in the 3D printing industry. The company proudly hosts India's first 3D Printing Experience Centre in Mumbai's Lower Parel, offering hands-on exposure to cutting-edge technology. Their comprehensive after-sales service supports all customers, including those who purchased from competitors, ensuring seamless experiences. With an in-house 3D filament factory in Bhiwandi, Mumbai, WOL3D enhances product quality and operational efficiency.

Their appearance on Shark Tank India Season 2 significantly boosted their brand value. As the first Indian 3D printing company listed on NSE Emerge, WOL3D has set a benchmark for industry growth and innovation. With 10+ Experience centres and offices across India.

3D printing transforms the manufacturing landscape with its quick, cost-effective, and flexible approach to designing and producing parts. By eliminating tooling, WOL3D enables product teams to accelerate development cycles, test multiple design options, and seamlessly bring creative visions to life. Their printers support a range of materials, from liquid or powdered plastic to metal and cement, to meet diverse manufacturing needs.
